

WOW!

**"123 CASH" IS PAYING BIG AND... SUPER FAST!
Plus, No Qualifying Is Required To Receive a Check!**

This is the easiest way to make money that I have ever seen... and *Anyone can do it!* This opportunity will quadruple your money. That's right; it pays you 4 times your original \$100 purchase! **4 Times your money!** And, it will do it over and over and over again. Once it gets started, there's *no way* to stop the money from coming in. Qualifying is ***Not Required***, which means that it is "possible" to cycle and receive a check even if you do not recruit. You *can* cycle through spillover, but the people that do recruit will cycle much faster and also receive a **\$20 Fast Start Bonus** for each position purchased from their recruiting efforts.

This is a one time pay program and is run with a 2x2 pay structure that pays out \$400 each time you cycle (less \$100 for automatic re-entry), and when you cycle, you are re-entered into the next available position ***under the company***, and this is where *all* re-entries go... ***Which means***, these cycles will move at **Lightning Speed!** How many times can you cycle? Once a month? Once a week? Once a day? Twice a day? It's mind boggling... **And they pay Weekly!** Your entry cost is a one time \$100 product purchase plus a \$29 Administration fee. Our products include: A \$500 Grocery Coupon Book which allows you to choose from over 900 Brand Name products, plus information on how to save 100's or even 1,000's on your groceries and prescription drugs, some drugs are even FREE to qualified people. You will also receive "Personal Safety Tips" and a Free Voice Mailbox, plus your own personalized *website and camera ready copies of all our marketing materials. *Your website is for advertising, **No Computer** is needed to participate in this program.

NO QUALIFYING IS REQUIRED TO RECEIVE A CHECK!!!

The company is in the process of and will continue to do massive advertising, so **Yes**, there will be spillover. **NOTE:** You can buy *[] 1 Entry for \$129 - [] 2 Entries for \$258 or [] 3 Entries for \$387. ****(More than 1 entry is recommended Only for experienced networkers).***
